H2054: GRRC; PETITION TO REQUEST REVIEW

A person is permitted to petition the Governor's Regulator Review Council (GRRC) to request a review of an existing agency practice that involves interpreting a rule adopted by the agency, substantive policy statement, or final rule of an agency established under statute governing campaign finance, including the Citizens Clean Elections Act, based on the person's belief that the practice, policy, or rule does not meet the requirements of the Administrative Procedures Act, exceeds the agency's statutory authority or violates the state Constitution or the U.S. Constitution. If, after a public hearing, GRRC determines that the practice, policy, action or rule does not meet these requirements, GRRC is authorized to modify, revise or declare void any practice, policy, or rule.

H2077: TELEPHONE SOLICITATIONS CALLS; DO-NOT-CALL LIST

Expands the list of information that a seller or solicitor is required to disclose to the consumer before beginning a solicitation or sales presentation over the telephone, to include that the consumer may request that the consumer's telephone number be added to the seller's or solicitor's entity specific do-not-call list. If the consumer makes this request, the seller or solicitor is required to immediately end the call and add the number to the list. A seller or solicitor who violates these requirements is subject to a civil penalty of up to \$1,000 for each violation.

H2115: JLAC; AUDITOR GENERAL

Various changes relating to government audits. All officers of any state agency, board, commission, department, program or committee or any political subdivision and all contractors that contract with the state are required to afford reasonable and needed facilities for Auditor General staff and make records available in the form and at the time prescribed. The Attorney General is required to supervise the prosecution of all offenders of this requirement. Any officer or person who knowingly obstructs or misleads the Auditor General in the execution of his/her duties is guilty of a class 2 (mid-level) misdemeanor. Modifies the list of factors a committee of reference considers when determining the need for continuation or termination of an agency. Based on information provided by the Auditor General, for any legislative measure that requires the Auditor General to perform a special audit, the Joint Legislative Budget Committee staff is required to notify all members of the Legislature as soon as practicable of the cost to conduct a special audit. The Auditor General is required to conduct a performance audit of transportation excise tax revenues in the fifth year, instead of the tenth year, in which the tax is in effect in a county. The Auditor General is no longer required to prepare an annual written report to the Governor and the Joint Legislative Audit Committee. Deletes the requirements for community college district expenditure reporting to be done by fund and to include a reconciliation of expenditures to the expenditure limitation report.

H2655: ENFORCEMENT; IMMIGRATION LAWS; EMPLOYER SANCTIONS

An official of the state, a county, municipality, or other political subdivision who intentionally or knowingly violates statute prohibiting the limitation or restriction of enforcement of federal immigration law is guilty of a class 1 (highest) misdemeanor, must be removed from office by judgment of the court, and is required to pay a fine of at least \$2,500. On a finding that an employer intentionally or knowingly employed an unauthorized alien, the court is required to order the appropriate agencies to permanently revoke all licenses

held by the employer specific to the business location where the unauthorized alien performed work. Previously, licenses were suspended for a first violation and revoked for a second violation. An employer who violates the requirement to verify the employment eligibility of an employee through the e-verify program is guilty of a class 1 (highest) misdemeanor and is required to pay a fine of at least \$2,500.

H2729: PERSONAL DATA; PROCESSING; SECURITY STANDARDS

Adds a new article to Title 18 (Information Technology) relating to security standards for personal data. Establishes a list of consumer rights relating to the consumer's personal data. Requires a "controller" to disclose to each consumer the right to request the deletion of the consumer's personal data, and to correct inaccurate personal data or delete the consumer's data upon request. Some exceptions. A consumer is permitted to object to the processing of his/her personal data and request the controller to restrict processing of personal data in specified circumstances. The Attorney General is authorized to bring an action in the name of the state or on behalf of state residents to enforce these requirements. Does not serve as the basis for a private right of action. Applies to a legal entity with an annual gross revenue of at least \$25 million that conducts business in Arizona or produces products or services that are intentionally targeted to Arizona residents and that either controls or processes data of at least 100,000 consumers or derives over 35 percent of gross revenue from the sale of personal information and processes or controls personal information of at least 25,000 consumers.

H2818: ADJUDICATION; SUBFLOW WELLS; CLAIM; PRIORITY

In a watershed that is subject to the jurisdiction of a court, a person is authorized to apply for a right to withdraw appropriable surface water from a well for beneficial use if a list of specified conditions apply, including that the well existed in the boundaries of the subflow zone when the court entered the final judgment establishing its boundaries and that the well has historically withdrawn water for any beneficial use. The priority date of this water right is the date that water withdrawn from the well was first put to beneficial use. A person whose well has been determined to exist in a subflow zone is authorized to file a new or amended statement of claimant and a notice of filing with the court. Within a reasonable time after the filing, the master is required to determine whether there is clear and convincing evidence that the well that is the subject of the statement of claimant is withdrawing appropriable surface water, determine what proportion of the water withdrawn by the well is surface water, and recommend water rights attributes for the well. On receipt of the master's report, the court is required to enter a judgment that determines the extent of the appropriable surface water right in the well and the priority date of the water right.
