H2014: GRRC; PETITION TO REQUEST REVIEW

A person is permitted to petition the Governor's Regulatory Review Council (GRRC) to request a review of an existing agency practice that involves interpreting a rule adopted by the agency, substantive policy statement, or final rule of an agency established under statute governing campaign finance, including the Citizens Clean Elections Act, based on the person's belief that the practice, policy, or rule does not meet the requirements of the Administrative Procedures Act, exceeds the agency's statutory authority or violates the state Constitution or the U.S. Constitution. If, after a public hearing, GRRC determines that the practice, policy, action or rule does not meet these requirements, GRRC is authorized to modify, revise or declare void any practice, policy, or rule.

H2042: AQUIFER PROTECTION PERMITS; INJECTION WELLS

A class V well is no longer exempt from the underground injection control permit program if the well has an aquifer protection permit that satisfies federal underground injection control requirements for a class V well. Except for class V wells operating under underground injection control permit program rules or specified federal code, any underground injection well covered by an underground injection control permit is exempt from aquifer protection permit requirements. If a notice of appeal of a permit issued under the Arizona Pollutant Discharge Elimination System Program is filed with the Water Quality Appeals Board, those permit provisions that are being contested and those that cannot be severed from the contested provisions are automatically stayed while the appeal is pending before the Board, instead of while the appeal is pending, including during any court proceedings.

H2044: INSURANCE; OMNIBUS

Makes various changes to statutes relating to insurance. Expands applicability of statute regulating electronic communications and records of insurance to include disability, marine and transportation, surety, prepaid legal, prepaid dental, title, identity theft, disability, workers' compensation, and annuities that are subject to Title 20 (Insurance). The list of persons exempt from the requirement to obtain a license as an insurance producer is expanded to include a person whose activities in Arizona are limited to providing a website or other electronic platform for insurers and a person that processes payments or charges for insurance premiums if that person does not sell, solicit or negotiate insurance. A "federal home loan bank" (defined) cannot be stayed, enjoined or prohibited from exercising or enforcing any right or cause of action

against collateral pledged by an insurer member under any federal home loan bank security agreement or other similar arrangement relating to a security agreement to which that federal home loan bank is a party. Service contracts are required to disclose whether the contracts cover or exclude preexisting conditions. More.

H2050: LIQUOR OMNIBUS

Various changes to statutes relating to spirituous liquor. The list of sources that a retailer may order, purchase or receive spiritual liquor from is expanded to include licensed craft distillers subject to statutory limits. Distillers and brewers are authorized to provide sampling of up to 16 ounces of beer or cooler products, increased from 12 ounces. A representative of a producer or wholesaler participating at a special event is allowed to consume small

amounts of the products of the producer or wholesaler on the premises of the special event for the purpose of quality control. A licensee with joint premises privileges is prohibited from allowing a person under the legal drinking age to remain in an area where the primary use is the sale, dispensing or consumption of spirituous liquor if the person is not accompanied by a spouse, parent, grandparent or legal guardian of legal drinking age, instead of if the person is not accompanied by an adult. A licensed craft distiller that produces up to 3,566 gallons, increased from 1,289 gallons, of distilled spirits in a calendar year is allowed to make sales and deliveries of distilled spirits that the licensed craft distiller produces to on-sale and off-sale retailers. As session law, a liquor licensee who had a retail license that reverted to the state between January 1, 2018 and December 31, 2020 due to more than 36 months of continuous nonuse has until December 31, 2022 to file in writing with the Department of Liquor Licenses and Control (DLLC) a request for relief from the license reversion. On receipt of such a request, DLLC is required to reissue the license. As session law, a purchaser of a bar, beer and wine bar, or liquor store license awarded through the annual liquor license lottery between January 1, 2017 and December 31, 2019 that has not been activated has until December 31, 2022 to file in writing with DLLC a request to sell or activate the license. After DLLC receives such a request and the full purchase price of the license, DLLC is required to allow the purchaser to sell or to submit an application to activate the license. AS PASSED HOUSE.

H2056: WATER CONSERVATION NOTICE; NO FORFEITURE

Beginning on the effective date of this legislation, a person who is entitled to the use of water is authorized to file with the Department of Water Resources a water conservation plan notice. Information that must be included in the notice is listed. On filing a water conservation plan notice, the conservation of water pursuant to the plan does not constitute abandonment or forfeiture of the water conserved. A person cannot accrue long-term storage credits for any water that is conserved in a water conservation plan notice. A water conservation plan is required to designate a duration of up to 10 years, and the person filing the notice may file a subsequent notice for one or more periods of

up to 10 years. Contains a legislative intent section stating that the Legislature intends that this act apply prospectively only. AS SIGNED BY GOVERNOR

H2062: STUDENT APPRENTICESHIP PROGRAM; TAX CREDITS

Establishes the Arizona Student Apprenticeship Pilot Program in the Department of Education to provide job training and economic opportunity to high school students in Arizona. Any employer in Arizona may apply to participate in the Program, and requirements for employers and students to participate in the Program are specified. Participating employees are required to designate at least 10 percent of wages to a separate interest-bearing account opened on behalf of the employee by the participating employer. For tax years beginning with 2022, participating employers are allowed an individual or corporate income tax credit for each participant who successfully completes the Program requirements prescribed by the Dept. The amount of the credit is equal to the amount the employer deposited in the separate interest-bearing accounts and disbursed to participant employees during the tax year. Tax credit requirements are listed. The Program terminates on January 1, 2028. Appropriates \$400,000 from the general fund in FY2021-22 to the Dept for the Program.

H2065: MEDICAL FREEDOM; PARENTAL RIGHTS

Students are no longer prohibited from attending school without submitting documentary proof of required immunizations to the school administrator. Schools are prohibited from requiring a student to receive the recommended immunizations and from refusing to admit or otherwise penalizing a student because that student has not received the recommended immunizations. If a parent chooses to have the student immunized, the parent is required to submit documentary proof to the school administrator to verify that the pupil has received the recommended immunizations if an outbreak occurs. A student who lacks documentary proof of immunization may be excluded from school only if the student lacks an immunization for which there is an active case of a disease that the immunization is intended to prevent in that student's school and if the Department of Health Services or a local health department has declared an outbreak of that disease for an area that includes the student's school.

Various changes to statutes relating to transaction privilege taxes (TPT) for prime contracting. The definitions of "modification" and "alteration" for the purpose of computing the tax base for the prime contracting classification of TPT are modified. A certificate that a contractor provides to a person stating that the contractor is liable for any amount of transaction privilege taxes due is valid for a period of up to one year. After the certificate expires, the contractor is allowed to execute and provide to the person a new certificate. The Department of Revenue (DOR) is required to prescribe a form for a certificate to be used by a prime contractor that is subject to TPT for purchasing tangible personal property, the purchase price of which was excluded from the tax base under the retail classification of TPT. The prime contractor is required to obtain the certificate from DOR, and the certificate is valid for up to one year. H2499: SMALL BUSINESS GRANTS; APPROPRIATION

Establishes the Small Business Assistance Grant Fund to be administered by the Arizona Commerce Authority to provide grants to small businesses that closed as a result of the COVID-19 pandemic. "Small businesses" (defined as businesses operating in Arizona that employ 25 or fewer employees and that meet other specified requirements) are authorized to apply to the Authority for a grant. The Authority is required to award grants of \$10,000, and is required

to allocate at least 30 percent of the monies in the Fund to small businesses located in counties with a population of less than 900,000 persons (all but Maricopa and Pima). The Authority is permitted to contract with a nonprofit organization in Arizona that supports, promotes and advocates for businesses in Arizona to accept and review grant applications. Contains a legislative intent section. Appropriates \$10 million from the general fund in FY2020-21 to the Small Business Assistance Grant Fund. Emergency clause.

H2649: COMPUTER DATA CENTERS; TAX INCENTIVES

The deadline for the Arizona Commerce Authority to certify new computer data centers for tax relief for computer data centers is extended ten years, to December 31, 2033. At any time within a qualification period, an owner or operator of a computer data center is authorized to add additional contiguous land to a certified computer data center or remove any portion of undeveloped land from a certified computer data center without penalty, and requirements to do so are specified. Also, the minimum investment of \$100 million in new renewable energy facilities in Arizona that a taxpayer must make in order to qualify for the tax credit for renewable energy investment may include investments made by a third-party entity on behalf of or for the direct benefit of the taxpayer. The exemption from the retail classification of transaction privilege taxes (TPT) for computer data equipment sold to the owner, operator or qualified colocation tenant of a computer data center for use in the qualified

computer data center is deleted and replaced with a deduction from the tax base of the retail classification of TPT for such computer data equipment. Session law requires any claim for refund of TPT based on the retroactive application of this change to be submitted to the Department of Revenue by December 31, 2021. The aggregate refund amount is capped at \$10,000. Interest is not allowed and may not be compounded on any refundable amount of these claims if paid before July 1, 2022. H2739: HEALTH INSURANCE; REQUIREMENTS; ESSENTIAL BENEFITS

Every health care insurer that offers an individual health care plan, short-term limited duration insurance or small employer group health plan in Arizona is required to provide coverage for at least the following ten essential benefits: ambulatory services, emergency services, hospitalization, maternity and newborn care, mental health and substance abuse disorder services, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services, and pediatric services, including oral and vision care. Health care insurers are required to limit cost

sharing for the coverage of essential health care benefits. Health care insurers cannot decline to offer coverage to, or deny enrollment in, a health care plan based solely on the individual's health status, including imposing preexisting condition exclusions or limitations in any health plan, canceling or refusing to renew a health plan based solely on an individual's preexisting condition, impose annual or lifetime dollar limits on the essential benefits listed, or apply any additional deductible, copayment or coinsurance based solely on an individual's preexisting condition.

H2858: FAMILY AND MEDICAL LEAVE; PAID

Beginning January 1, 2024, family and medical leave insurance benefits are payable to a "covered individual" (defined) who meets one of the following requirements: is caring for a new child during the first year after the birth,

adoption or foster care placement of that child; is caring for a family member with a "serious health condition" (defined); has a serious health condition that makes the covered individual unable to perform the functions of their position; qualifies for "qualifying exigency leave" (defined) due to being on active duty or having been notified of an impending call or order to active duty in the armed forces; or is in need of "safe leave" (defined) due to domestic violence or abuse. Family and medical leave insurance benefits are payable for up to 24 weeks, except that benefits for the employee's own serious health condition are payable for up to 26 weeks. Establishes a formula for determining the amount of benefits and a formula for payroll contributions to finance the payment of benefits. Any covered individual who exercises the right to family and medical leave insurance benefits is entitled, on the expiration of that leave, to be restored by the employer to the position held by the covered individual when the leave commenced, or to a position with equivalent terms and conditions. Prohibits retaliatory personnel actions for exercising specified rights. Establishes civil penalties for violations. More. Severability clause. Emergency clause.

H2865: PERSONAL DATA; PROCESSING; SECURITY STANDARDS

Adds a new article to Title 18 (Information Technology) relating to security standards for personal data. Establishes a list of consumer rights relating to the consumer's personal data. Requires a "controller" to disclose to each consumer the right to request the deletion of the consumer's personal data, and to correct inaccurate personal data or delete the consumer's data upon request. Some exceptions. A consumer is permitted to object to the processing of his/her personal data and request the controller to restrict processing of personal data in specified circumstances. The Attorney General is authorized to bring an action in the name of the state or on behalf of state residents to enforce these requirements. Does not serve as the basis for a private right of action. Applies to a legal entity with an annual gross revenue of at least \$25 million that conducts business in Arizona or produces products or services that are intentionally targeted to Arizona residents and that either controls or processes data of at least 100,000 consumers or derives over 35 percent of gross revenue from the sale of personal information and processes or controls personal information of at least 25,000 consumers.

The Legislature retains the authority to appropriate all "noncustodial federal monies" (defined). If the Legislature does not make an appropriation for a particular fund, specific grant program or block of noncustodial federal monies, the budget unit that has lawful authority is required to administer and spend these monies pursuant to federal and state law. If the amount of the noncustodial federal monies received is less than the amount appropriated, the appropriation must be reduced to the amount received. If the amount of the noncustodial federal monies received is more than the amount appropriated, the total appropriation of federal and state monies allocated for a program must remain at the amount designated by the Legislature, and the State Treasurer is required to credit the excess noncustodial federal monies to the appropriate budget unit account. A budget unit that receives noncustodial federal monies is required to account for the noncustodial federal monies in separate accounts or funds as necessary to meet accounting, budgetary and auditing requirements. S1392: NET OPERATING LOSS; CARRYBACK; CARRYOVER

For taxable years beginning with 2018, the list of additions to Arizona gross income for the purpose of individual income taxes is expanded to include the amount of net operating losses taken under a specified section of the federal Internal Revenue Code to the extent the amount is not included in computing federal adjusted gross income. For taxable years beginning with 2018, the list of subtractions from Arizona gross income for the purpose of individual income taxes is expanded to include the amount of the net operating loss deduction that would have been disallowed under a specified section of the federal Internal Revenue Code. To the extent not already excluded from Arizona gross income, for any taxable year the taxpayer has a net operating loss, the net operating loss is a net operating loss carryover for each of the 20 succeeding taxable years for net operating losses arising in taxable periods beginning with 2021, and is a net operating loss carryback for each of the 5 taxable years preceding the taxable year of the net operating loss for net operating losses arising in taxable periods beginning January 1, 2018 through December 31, 2020, and for each of the 2 taxable years preceding the taxable year of the net operating loss for net operating losses arising in taxable periods beginning with 2021. S1650: TRANSPORTATION TAX; ELECTION; GAS TAX

Numerous changes to statutes related to transportation. Beginning January 1, 2022, the motor fuel and use fuel tax rates of 18 cents per gallon are required to increase annually by 1 cent. Beginning July 1, 2022, the motor fuel and use

fuel tax rates are also required to be adjusted annually to reflect the average annual change in the consumer price index published by the U.S. Department of Labor, Bureau of Labor Statistics. The motor fuel tax rate increase of 1 cent per year stops after December 31, 2045. Each fiscal year, the Arizona Department of Transportation (ADOT) is required to allocate 40 percent of the revenues received from motor fuel and use fuel taxes to counties with a population of at least 3 millions persons (Maricopa County) and municipalities within those counties, and 60 percent of the revenues to counties with a population of less than 3 million persons and municipalities within those counties. Imposes a tax on a vehicle that accesses a street or highway and that is propelled by electricity or by a combination of electricity and other fuels of \$500 per year for a vehicle that is propelled only by alternative fuel and \$300 per year for a vehicle that is propelled by a combination of alternative fuel and other fuels. If approved by a majority of the qualified electors at an election held November 8, 2022, beginning January 1, 2026, a county with a population of 3 million or more persons (Maricopa County) is required to levy a county transportation excise tax at a rate of up to 15 percent of the transaction privilege tax (TPT) rate that applies as of January 1, 2024 to each person engaging in a business subject to TPT. The tax will be in effect for a term of 20 years. Net revenues from the tax must be distributed as follows: 56.2 percent to the Regional Area Road Fund for freeways, 10.5 percent to the Regional Area Road Fund for major arterial streets and intersection improvements, and 33.3 percent to the Public Transportation Fund for specified bus and rail expenses. A regional planning agency in a county with a population of 3 million or more persons (Maricopa County) is required to give a project in the regional transportation plan a higher priority for completion if the federal government provides federal monies for the project or if a municipality makes a single sum contribution to the project of at least five percent of the total cost of the project. The termination date of a county regional planning agency transportation policy committee is extended 20 years to July 1, 2044. Session law requires ADOT to widen Interstate 17 in two specified locations, to widen Interstate 10 in three specified locations, and to construct a suspension bridge over a river when constructing State Route 30. Due to a potential increase in state revenue, this legislation requires the affirmative vote of at least 2/3 of the members of each house of the Legislature for passage, and becomes effective on signature of the Governor.

SCR1028: INITIATIVES; TAX INCREASES; REAUTHORIZATION

The 2022 general election ballot is to carry the question of whether to amend the state Constitution to make statewide initiative measures that increase taxes and that are approved by a vote of the people valid for five years. After five years, a reauthorization measure must be referred to a vote of the people to reauthorize the measure for another five years. Applies retroactively to all

ballot measures from previous statewide initiative and referendum measures approved on or after November 3, 2020. All statewide initiative and referendum measures affected retroactively must be referred to a vote for reauthorization at the general election held in 2024.
